Your partner in business

Dear Brenda,

Hi! Just wanted to pass along some business news. Scan through and hopefully you'll find a thing or two that will be of interest to you! And, as always, if your business has items of interest to the business community shoot me an email and if I can fit it in to one of the newsletters I will!

Mini Business Expo

Just for Chamber Members

On Thursday, October 21st, Chamber members can show off their goods and services during the Mixer, at no additional cost! That's right. Simply send in the [registration form](#) and the first 20 businesses will be provided table space for telling their business story, and all for the \$8 admission cost.

Table space will be available on a first come, first serve basis to current members of the Central Vermont Chamber of Commerce. Tables will need to be set up prior to 5 pm and manned from 5 to 6 pm. We suggest bringing another person so that your business can network during this time as well. Each business will get ½ a table (2 ½ feet) for display space.

Reserve your space today to be sure you're in the first 20!
